

NextDaySteel Product Information

Core Product Categories

Steel Reinforcement Bars (Rebar)

- **Types Available:** High tensile deformed bars
- **Specifications:** Sizes T8-T40 (8mm-40mm diameter)
- **Quality Standards:** BS4449 compliant, CE marked
- **Availability:** Standard lengths in stock, custom cutting available

Reinforcement Mesh

- **Types Available:** Welded fabric reinforcement
- **Specifications:** A142, A193, A252, A393 standard types
- **Quality Standards:** BS4483 compliant, BBA certified
- **Availability:** Standard sheets 3.6m x 2.0m in stock

Construction Accessories

- **Types Available:** Spacers, tie wire, bar supports
- **Specifications:** Various sizes and materials available
- **Quality Standards:** Industry standard materials
- **Availability:** Common accessories in stock

Product Details

Rebar

- **Sizes/Models:** T8, T10, T12, T16, T20, T25, T32, T40
- **Technical Specs:** High tensile steel, ribbed surface, BS4449
- **Applications:** Concrete reinforcement, structural applications
- **Special Features:** Cut to length service, standard 6m and 12m lengths

Steel Mesh

- **Sizes/Models:** A142, A193, A252, A393 plus custom sizes
- **Technical Specs:** Welded wire fabric, various bar spacings
- **Applications:** Slab reinforcement, pathway construction
- **Special Features:** Standard sheets, custom sizes available

Quality & Compliance

- **Standards Met:** BS4449, BS4483, CE marking
- **Certifications:** BBA approved, CARES certified
- **Testing Procedures:** Mill test certificates provided
- **Quality Assurance:** Full traceability, batch testing

Stock & Availability

- **Standard Stock:** T8-T25 rebar, A142-A393 mesh, common accessories
- **Custom Orders:** Cut to length, special sizes, shaped bars
- **Lead Times:** Next-day for stock items, 3-5 days for custom
- **Bulk Availability:** Volume discounts available, project scheduling

PLACEHOLDER FILLING GUIDE:

Placeholder	Description	Example
{COMPANY_NAME}	Full company name	"NextDaySteel"
{PRODUCT_CATEGORY_1}	First product category	"Steel Reinforcement Bars (Rebar)"
{PRODUCT_TYPES_1}	Types in category 1	"High tensile deformed bars"
{SPECIFICATIONS_1}	Technical specs	"Sizes T8-T40 (8mm-40mm diameter)"
{QUALITY_STANDARDS_1}	Quality standards	"BS4449 compliant, CE marked"
{AVAILABILITY_1}	Stock status	"Standard lengths in stock, custom cutting available"
{PRODUCT_CATEGORY_2}	Second product category	"Reinforcement Mesh"
{PRODUCT_TYPES_2}	Types in category 2	"Welded fabric reinforcement"
{SPECIFICATIONS_2}	Technical specs	"A142, A193, A252, A393 standard types"
{QUALITY_STANDARDS_2}	Quality standards	"BS4483 compliant, BBA certified"
{AVAILABILITY_2}	Stock status	"Standard sheets 3.6m x 2.0m in stock"
{PRODUCT_CATEGORY_3}	Third product category	"Construction Accessories"
{PRODUCT_TYPES_3}	Types in category 3	"Spacers, tie wire, bar supports"
{SPECIFICATIONS_3}	Technical specs	"Various sizes and materials available"
{QUALITY_STANDARDS_3}	Quality standards	"Industry standard materials"
{AVAILABILITY_3}	Stock status	"Common accessories in stock"
{KEY_PRODUCT_1}	Most important product	"Rebar"
{PRODUCT_1_SIZES}	Available sizes	"T8, T10, T12, T16, T20, T25, T32, T40"
{PRODUCT_1_SPECS}	Technical details	"High tensile steel, ribbed surface, BS4449"
{PRODUCT_1_APPLICATIONS}	Common uses	"Concrete reinforcement, structural applications"
{PRODUCT_1_FEATURES}	Special features	"Cut to length service, standard 6m and 12m lengths"
{KEY_PRODUCT_2}	Second most important	"Steel Mesh"
{PRODUCT_2_SIZES}	Available sizes	"A142, A193, A252, A393 plus custom sizes"
{PRODUCT_2_SPECS}	Technical details	"Welded wire fabric, various bar spacings"
{PRODUCT_2_APPLICATIONS}	Common uses	"Slab reinforcement, pathway construction"
{PRODUCT_2_FEATURES}	Special features	"Standard sheets, custom sizes available"
{COMPLIANCE_STANDARDS}	Standards met	"BS4449, BS4483, CE marking"
{CERTIFICATIONS}	Certifications held	"BBA approved, CARES certified"
{TESTING_INFO}	Testing procedures	"Mill test certificates provided"
{QA_PROCESS}	Quality assurance	"Full traceability, batch testing"
{STANDARD_STOCK_ITEMS}	Regular inventory	"T8-T25 rebar, A142-A393 mesh, common accessories"
{CUSTOM_ORDER_CAPABILITY}	Custom options	"Cut to length, special sizes, shaped bars"

Placeholder	Description	Example
{TYPICAL_LEAD_TIMES}	Delivery timing	"Next-day for stock items, 3-5 days for custom"
{BULK_ORDER_INFO}	Large order handling	"Volume discounts available, project scheduling"

QUALITY CHECKLIST:

- ☒ All placeholders replaced with accurate specifications
- ☒ No product recommendations ("use this for X project")
- ☒ Only factual specifications and availability information
- ☒ Quality standards and certifications are current and accurate
- ☒ No engineering advice or application guidance
- ☒ Stock availability matches actual inventory capabilities
- ☒ Custom order capabilities accurately described
